

AI-POWERED CAFM

From reactive to AI autonomous.

Equidesk sees problems coming, recommends the right action and gets the work done automatically.

01 REACTIVE

Fix what broke

02 PREDICTIVE

See it coming

03 PRESCRIPTIVE

Know the move

04 AI AUTONOMOUS

EVA executes

CAFM · IWMS · CMMS

Every operation. Connected.

Replace fragmented systems
with one live operational view.

EVA · EQUIDESK VIRTUAL ASSISTANT

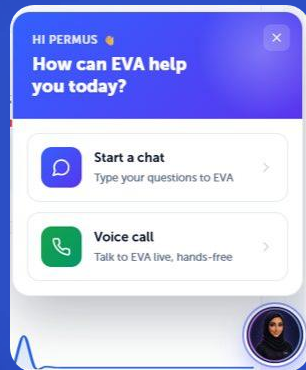

Ask EVA? Work moves!

Your secure AI assistant finds answers, recommends the next Action, and helps teams complete work faster.

Natural-language answers

Permission-aware actions

Early operational signals

AI-ENABLED WORKFLOWS

8 purpose-built AI copilots

EMBEDDED DIRECTLY INTO DAILY OPERATIONS

Work Order Copilot

Suggests category and priority at creation.

Close-Out Summary

Writes a clear, consistent handover note.

Workflow Assistant

Drafts workflows from plain-language requests.

PPM Schedule Assistant

Advises frequency and flags orphan schedules.

Inspection Companion

Highlights the areas that need attention.

HSE Corrective Actions

Recommends actions for every NCR event.

Inventory Anomaly

Detects abnormal consumption patterns early.

Contract Intelligence

Summarizes contracts and surfaces risk exposure.

OPERATIONAL PROOF

Results your board can see.

Visible outcomes, consistent governance and a platform designed to scale.

45 %

Faster maintenance response

Alucra Real Estate

35 %

Lower operational costs

Caretta Holdings

BUILT ACROSS INDUSTRIES

**Real Estate · Hospitality ·
Healthcare · Education ·
Retail · Gov · Aviation ·
Logistics**

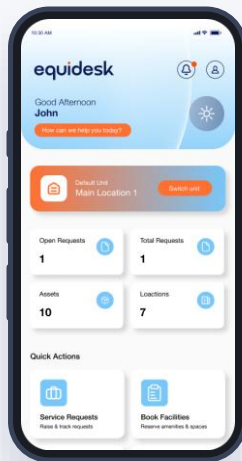

EMPOWERING EVERY USER

The right tools in the right hands.

FIELD READY

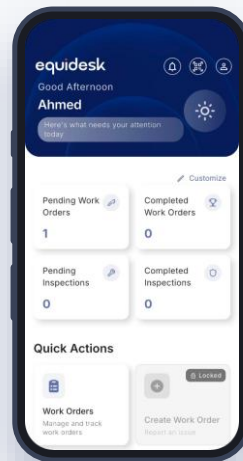

**Always
connected.
Built to move.**
